

# The FROST Report

Issue 11 - December 2020

The Friends of St Thomas of Canterbury, East Clandon, Surrey

## Welcome to our 2020 review

*The FROST Report is an annual update on the activities of The Friends of St Thomas of Canterbury in East Clandon.*

**F.R.O.S.T.'s aims are to help maintain, protect and enhance the fabric of the 1,000 year old church of St. Thomas of Canterbury in East Clandon for villagers and visitors alike.** F.R.O.S.T. is not a religious organisation, rather a community group, and its fund raising activities not only generate community spirit but also raise vital funds for this important cause.

*Despite COVID 19, FROST managed to run two of its four programmed events*

**As a village charity FROST's main focus is to run events that bring the community together - somewhat difficult to do safely during a pandemic!**

However, we had our Bingo Night before the first lockdown hit us, then we organised a Summer Fun Walk which proved to be a great success.

### FEBRUARY

#### 60's themed Bingo Night

We had another fun packed event with lots of beer and wine consumed throughout the evening plus homemade chilli con carne at the interval.

Our expert caller Bug Robertson was once again ably assisted by Louise Herbert, ensuring a fair result!

**£760** was raised for FROST

### AUGUST

#### Summer Fun Walk

Sunday 23rd August saw FROST welcome just under 80 adults, children and their four legged friends to East Clandon's recreation ground.

The walkers had three routes to choose from, each with a quiz and hidden treasure to find. There was also a photographic competition.

*The event raised over **£700** for our charity*

### Charitable Grants

As of November 2020 FROST, since it was set up, has granted a total of **£124,000** to the Parochial Church Council.

### 2021 Events

FROST is delaying publishing dates until we are confident we can comply with any Government restrictions that might be in place.
