

The FROST Report

An annual update on the activities of
The Friends of St Thomas of Canterbury, East Clandon, Surrey

FROST is not a religious organisation, it is a village charity whose main focus is to protect and enhance the fabric of our 1,000 year old church by organising fund raising events that bring the community together and generate vital funds for this important cause.

Bingo Night FEBRUARY

It was a Full House in East Clandon's Village Hall with caller Andy Hay ensuring yet another successful event. The wine and beer flowed and at the interval, thanks to villagers, delicious homemade chilli con carne was served.

Royal Safari Supper MAY

Our Event kickstarted the village's weekend Coronation celebrations. "King Charles" welcomed over 50 guests to Church Cottage for drinks and canapes where villagers adopted royal or safari looks.

Long time villager Felicity Jaffe celebrated her birthday by being anointed Queen for the evening.

6 "Royal Castles" hosted dinner parties with the evening ending at The Old Parsonage.

Late Summer Concert SEPTEMBER

Villagers and friends were treated to an amazing evening concert in our church by husband and wife duo Joanna and Alexander L'Estrange and their "Love's Philosophy" programme ably supported by their talented sons, Harry on keyboards and Toby on the sound desk.

A very special evening as it's not often East Clandon welcomes such huge talent that has performed on global stages!

Quiz Night NOVEMBER

This year was our 20th anniversary of the ever popular Quiz Night and 70 supporters made up 8 teams competing for 1st prize of a bottle of bubbly for each.

An incredibly closely fought event with only 7 points separating first and last place but "The Village People" triumphed by only half a point!

Thanks to Murray for setting the Questions, to Barnaby for controlling a rowdy room with skill and diplomacy, to Charlie and Amelia for scoring. Fish & Chips, Beer and Wine added to a fun packed evening.

£930 raised

Yuletide Gin

Back by popular demand! We have produced another limited edition "FROSTY" yuletide gin supplied by Silent Pool. This year's flavour is Spiced Pepper.

£370 raised
